A little bit about us:

Kitchen Window GF Bakery is a family bakery established by sisters-in-law Donna and Mindy.

Donna has been cooking gluten-free for over 12 years. She began out of necessity for her husband Jeff, who is living with Celiac's disease and since then has created her own proprietary flour blend.

Kitchen Window GF seeks to provide delicious gluten-free treats to neighborhoods throughout the Baltimore area.

Kitchen Window

a GF Bakery

Every product is made fresh from our kitchen in a gluten-free environment
